INSTRUMENT FINISHES

All of the standard finishes used on Conn instruments are described below. For special finishes, write for prices.

FINISH 10 through 19—Lustre-Conn over highly polished brass (sousaphone and bass bells clear lacquer).

FINISH 20 through 29—Brass with nickel trim. Protected by longer lasting, acid resistant **LUSTRE-CONN**. Proven to last twice as long as lacquer.

FINISH 30 through 39—Satin finish silver plated with interior of bell brilliant silver. Points and engraved pattern highlighted. On flutes and piccolos this finish number represents heavily silver plated body with keys, posts and hinge rods silver buffed.

FINISH 50 through 59—Satin finish silver plated. Same as finish 30, but with interior of bell brilliant gold.

FINISH 60—Solid Nickel Silver (8D only).

FINISH 61 through 69—Lustrous heavy Nickel Plate.

We furnish 6 different finishes (e.g. Finish 10 through 19 is the same finish. The second digit is for internal control.)
